**State of Kentucky Animal Health Requirements**  
**302 KAR 20:065. Sale and exhibition of Kentucky origin animals in Kentucky.**

RELATES TO: KRS Chapter 257, 9 C.F.R. Chapter 1

STATUTORY AUTHORITY: KRS 246.295, 257.030, 257.315, 257.380

NECESSITY, FUNCTION, AND CONFORMITY: KRS 257.020(3) requires the board to prevent, control, and eradicate any communicable disease of animals. KRS 257.030(2) authorizes the board to establish necessary quarantines and other measures to control the movement of animals into, through, or within Kentucky. This administrative regulation establishes health requirements for the sale, movement, and exhibition of Kentucky animals within Kentucky.

Section 1. General Requirements. (1) All animals moving within Kentucky shall be subject to the requirements as established in 302 KAR 20:020.

(2) All animals offered for sale shall be accompanied by a Certificate of Veterinary Inspection (CVI), or other official movement document except for exemptions listed under each species of this administrative regulation or 302 KAR 20:040. Examples of an official movement document shall include a way bill with a permit number or Federal Movement Form VS 9-3 or VS 1-27. A CVI for sale purposes shall:

(a) Be valid for thirty (30) days from the date of issuance; and

(b) List a valid destination and be void upon arrival at that destination unless a Reconsignee Certificate for movement from the sale premises to a new destination is executed and attached to the original CVI.

(3) All animals entering venues for exhibition purposes where commingling of animals occurs shall be accompanied by a CVI.

(a) A CVI for Kentucky origin animals for purposes other than sale shall be valid as noted under each individual species.

(b) A CVI written for exhibition purposes shall be void upon change of ownership of the listed animals.

(4) All required tests shall be conducted by a state-federal approved laboratory as defined by 9 C.F.R. Chapter 1.

(5) An animal that originated from a quarantined area or quarantined herd shall not be transported intrastate within Kentucky unless permitted by OSV on VS Form 1-27 or a CVI with a quarantine movement permit obtained from OSV and attached to the CVI.

Section 2. Cattle and Other Bovine Species. (1) General requirements.

(a) Cattle or other bovine species moving intrastate for sale except as provided in paragraph (b) of this section, change of ownership, or exhibition purposes shall meet the requirements established in subsections (2) and (3) of this section.

(b) Cattle and other bovine species moving directly to and for sale by a state-federal approved stockyard or a recognized slaughtering center shall meet the requirements established in subsections (3) and (4) of this section.

(2) Certificate of Veterinary Inspection.

(a) All cattle and other bovine species moving intrastate for sale, exhibition or change of ownership shall be accompanied by a valid CVI as required by 302 KAR 20:020, Section 1(3)(c).

(b) A CVI for change of ownership and sale shall be valid for thirty (30) days.

(c) A CVI for intrastate exhibition shall be valid for the remainder of the calendar year in which it is issued or thirty (30) days whichever is greater.

(d) Cattle or other bovine species sold or bartered by private treaty and moving directly from farm to farm shall be exempt from the CVI requirement if the seller or barterer's name and premises of origin information are recorded and maintained for two (2) years by the recipient of the animal.

(3) Specific diseases.

(a) Brucellosis. Testing shall not be required for sale or exhibition if one (1) of the following applies:

1. Kentucky has class free status; or

2. The animals are moving from a brucellosis certified herd. The herd number and last test date shall be recorded on the CVI.

(b) Tuberculosis. Testing shall not be required for sale or exhibition if one of the following applies:

1. Kentucky has class free status; or

2. The animals are from a tuberculosis accredited herd. The herd number and last test date shall be recorded on the CVI.

(c) Cattle or other bovine species infected with warts, ringworm, or any other communicable disease shall not be eligible for exhibition.

(4) The seller's name and address and either the animal's premises of origin or PIN shall be provided for cattle or other bovine species moving to a state-federal approved stockyard or directly to a recognized slaughtering center.

Section 8. Ratites. (1) General requirements.

(a) Ratites moving for sale or exhibition purposes shall meet the requirements established in subsections (2) and (3) of this section.

(b) A permit number shall be obtained from OSV prior to the sale of ratites in Kentucky. This permit number shall be recorded on the CVI accompanying the animals.

(c) All ratites shall have a permanent official identification in accordance with 302 KAR 20:020, Section 1(2).

(d) Any ratite with evidence of a communicable disease shall not be eligible for sale or exhibition.

(2) Certificate of Veterinary Inspection.

(a) All ratites moving intrastate for sale or exhibition shall be accompanied by a valid CVI or NPIP certificate as required by 302 KAR 20:020, Section 1(3)(c).

(b) A CVI for change of ownership and sale shall be valid for thirty (30) days.

(c) A CVI for intrastate exhibition shall be valid for ninety (90) days.

(3) Specific diseases.

(a) Avian Influenza. Ratites shall be negative to an official test as defined by 9 C.F.R. Part 145, within ninety (90) days prior to sale or exhibition or originate from a NPIP AI Clean flock.

(b) Salmonella pullorum. Ratites shall be negative to an official test as defined by 9 C.F.R. Part 145, within ninety (90) days prior to sale or exhibition or originate from a NPIP flock.
